August/ September 2018

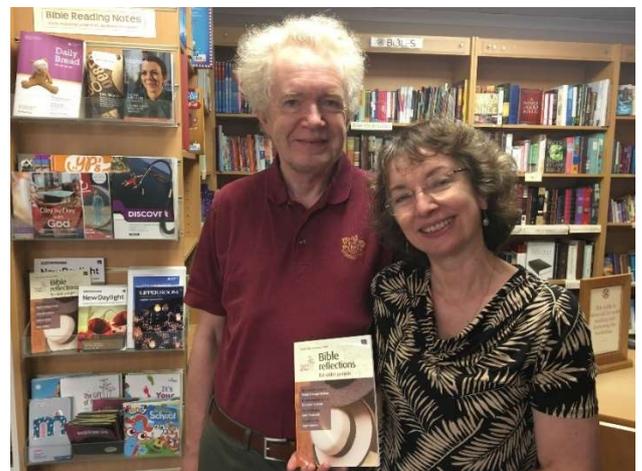

An exciting start to August: **Congratulations** to Steph & Neal! **Baby Josie** was born in the early hours of Sunday 5th August weighing 6lb 3.5oz. Mum and baby are at home and well. They've even popped in to see us and Josie is gorgeous.

In the café we have been busy testing out various desserts, starters and vegetarian dishes ready for our new Christmas Menu to be released and bookings to open at the beginning of September. There will be some old favourites coming back from previous years as well as some new exciting options. The menus will be out during the first week of September and bookings will open straightaway.

In the bookshop, we continue to sell a huge range of dated & undated **Bible reading notes**.

I thought I would highlight some relatively new editions to our range. **The Gift of Years** is specifically aimed at older people and is produced by BRF. There are dated and undated versions available. In the picture Martin and Margot Hodson stand in the bookshop with the September edition, for which they have contributed some reflections entitled "The Wisdom of Trees". Another new BRF title is **Quiet Spaces**. Quiet Spaces is released three times a year. Inside, the reflections are not

divided up daily but rather in fortnightly sections full of short reflections tailored to those of us who are more creative. We do also stock a large print version of **New Daylight** and we are able to get **Daily Bread** in large print too. Many people do place a regular order with us for their notes. We did recently run out of a number of titles before the new period started, so do talk to us about setting up a regular order to avoid missing out. You are able to cancel at any time and you will always know we will have your copy safe even if you come to collect at the last minute.

September brings the new term of **Make&Bake**. We will start back on 7th September 9.30-11am as previous terms. We are very keen to welcome new under 5's to join us; many of our regulars having left us in July to start preschool this term.

Did you know we have **Prayer for Healing** in the bookshop 1.30pm-3pm every Saturday? Everyone is welcome to come and pray or be prayed for.

This month's **Hot Meal Special** will be **Sausage & Mash**, served at 12.30pm on 29th August 2018 - *this Wednesday*.

September's **Hot Meal Special** will be **Roast Pork with Roast Potatoes & Stuffing**, served at 12.30pm on 26th September 2018.

God Bless, Sarah Shewring
